

## Autumn Meeting: 18<sup>th</sup> October 2026 – Tiverton Hotel

### GB WITH A DIFFERENCE

Bob Wheeler

Our Autumn meeting will also be something a little different as Bob will display part of his outstanding collection of more obscure GB items! His collection is an eclectic mix of original artwork, proofs, trials and all things devoid of any actually issued stamps! The first part of the display will cover the Victorian period from the pre-stamp era to the end of the reign with the second half covering the Kings. The display promises to be full of unique and rare items, seldom if ever displayed, and as such is not to be missed. The afternoon will again be a farrago of members one and two frame displays.
