PRESS RELEASE

From both sides of the Channel

Members of the Académie de philatélie from both sides of the Channel provided the displays at the meeting of The Royal Philatelic Society London held on 24 November.

No fewer than 21 members of the Académie displayed an outstanding selection of material representing the best of international philately. Understandably most of the exhibits had links with France.

The displays were coordinated by Robert Abensur, who produced a fine documented record of the material on display. He received from Frank Walton, President of The Royal Philatelic Society London, the Society's plaquette on behalf of all those who contributed.

Those wishing to visit The Royal Philatelic Society London at 41 Devonshire Place, London W1G 6JY, or be a guest at one of its meetings, are asked to contact the Administrative Office (020 7486 1044).

Frank Walton, President of The Royal Philatelic Society London (left), thanks Robert Abensur for bringing together the displays from members of the Académie de philatélie.
