----------------------	---	---------	---------------------	---

ALTERATIONS OF PARTICULARS.

The Particulars hereunder are to replace or to be added to these shown in the *Post Office Guide* in relation to the offices indicated.

The establishment of telegraph facilities at an office is shown by printing the name in *italic* type instead of Roman, as formerly, and the discontinuance of telegraph facilities is indicated by printing the name in Roman instead of *italic* type.

Where a portion of the existing entry is affected, the whole of the new entry in respect of the column or columns concerned is shown.

Where the existing entry in respect of a column is unchanged nothing is inserted in that column.

[e.g.—If the hours of telegraph attendance have been altered and the information regarding the nearest Money Order Office remains unchanged, only the alteration in the hours is shown.]
