PART II. AMENDMENTS TO THE LIST OF POST OFFICES.

Table with multiple columns and rows detailing amendments to the list of post offices, including office names and status changes.

ALTERATIONS OF PARTICULARS.

The particulars hereunder are to replace or to be added to those shown in the *Post Office Guide* in relation to the offices indicated.

The establishment of telegraph facilities at an office is shown by printing the name in *italic type* instead of Roman, as formerly, and the discontinuance of telegraph facilities is indicated by printing the name in Roman instead of *italic type*.

Where a portion of the existing entry is affected, the whole of the new entry in respect of the column or columns concerned is shown.

Where the existing entry in respect of a column is unchanged nothing is inserted in that column.

[e.g.—If the hours of telegraph attendance have been altered and the information regarding the nearest Money Order Office remains unchanged, only the alteration in the hours is shown.]
