G. v. L. Meyer, Postmaster General:

Amendments to the Postal Laws and Regulations.

ITEMIZED MONTHLY STATEMENT OF STAMPED PAPER TO BE DISCONTINUED.

Order No. 594.

July 30, 1907.

Postmasters at post offices of the first, second, and third classes are directed to discontinue rendering itemized monthly statements on Form 3240 to the Third Assistant Postmaster General of stamped paper received, sold, and on hand; but they must keep an accurate account of all stamp supplies received, sold, and on hand in stock account book Form 3240-a and be prepared to furnish an itemized statement containing this information whenever called for.

The monthly statements of stamped paper sold for use elsewhere, required by Order No. 907½ of August 11, 1904 (page 741 of the 1907 Official Postal Guide), to be made in connection with Form 3240, will hereafter be made at the close of each month in a letter addressed to the Third Assistant Postmaster General. The statement of such sales will be itemized by the postmaster as to dates, amounts of purchases, and names and business addresses of the purchasers, and must bear the following form of certificate:

"I hereby certify on my oath of office that the foregoing is a true and correct statement, and that to the best of my knowledge and belief it shows all the stamp supplies sold at this office for use elsewhere."

Section 407, of the Postal Laws and Regulations, edition of 1902, in conflict herewith, is revoked.

SAMPLES OF LIQUIDS AND FATTY SUBSTANCES IN MAILS FOR AND FROM MEXICO.

Order No. 612.

August 8, 1907.

The Postmaster General's Order dated September 3, 1897, admitting SAMPLES of liquids and fatty substances to the mails for and from Mexico, is hereby modified so as to read as follows:

By virtue of the authority conferred by Article 13 of the Postal Convention between the United States and Mexico signed in Washington on the 4th of April, 1887:

IT IS HEREBY ORDERED—the Mexican Office having concurred therein—That for the future, liquids, fatty substances, and substances which easily liquefy, which are not poisonous, explosive, inflammable or intoxicating, shall be admitted to the mails, other than Parcels-Post, exchanged between Mexico and the United States, provided they are packed in accordance with the regulations governing the admission of those articles to the domestic mails of the country in which they are mailed.

This order to take effect immediately.

PRINTING ON STAMPED ENVELOPES.

Order No. 604.

August 6, 1907.

Order No. 300, dated April 22, 1907, amending section 337 of the Postal Laws and Regulations is hereby rescinded, and the following amendment substituted therefor:

The Act of Congress approved June 26, 1906, contains the following provision:

"Provided, That no envelope shall be sold by the Government containing any lithographing or engraving nor any printing nor advertisement, except a printed request to return the letter to the writer."

Section 337, of the Postal Laws and Regulations, Edition of 1902, is amended to read as follows:

SEC. 337. No advertisement or special device of any kind nor the names of addressees, will be printed on stamped envelopes by the Department. The matter to be printed will be limited to, (1) a request to return after a given number of days; (2) the name of the purchaser (individual, firm, corporation, institution, association or society); (3) rural delivery route, post office box number, street address (in the case of city-delivery post offices only), or the name of a building and room number therein, or the names of intersecting streets, in lieu of a street address; (4) the names of post office, county and State. Any portion of the foregoing, except the name of the post office and State, may be omitted, when desired by the purchaser of the envelopes, if the address to which undelivered letters are returnable is not thereby made indefinite. For example, if the name of the purchaser of special-request envelopes is omitted the box number, street number, or room number and name of building should be substituted therefor. The form of return request for stamped envelopes intended to inclose letters will be, "After 5 days, return to;" for envelopes intended to inclose third-class matter, "Postage for return will be sent on notice after 5 days to;" the number of days in either case to be not less than 3 nor more than 30, at the purchaser's option.

2. Names indicating or incidentally disclosing the nature of the purchaser's business or vocation will not be printed on stamped envelopes unless it be certified by the postmaster in writing on his requisition therefor that such name is used under corporate charter, copartnership agreement, or other articles of organization so designating the concern, or that it is the name under which the purchaser is actually doing business with the public; that is to say, that the name asked to be printed has not been assumed merely to secure an advertisement of the purchaser's business on special-request envelopes.

3. The name and title of an officer of a firm, corporation, institution, association, or society will be printed when so desired; for example, "John Doe, Treasurer, Washington Educational Association."

4. Such titles as "M. D.," "D. D. S.," "Rev.," "LL. D.," etc., will be printed when they are clearly for purposes of identification and not for advertisement.

5. The name of a branch or department of a purchaser's business will be printed only when necessary to insure return of undelivered letters to the writer, and where such branch or department is shown as a part of the return card, the postmaster must explain in writing the necessity for adding it.

6. Special-request envelopes must be purchased and will be delivered only through the post office to which the card directs their return.

7. No variation will be made in the location of the return-card in the upper left-hand corner of the envelope, or in the style or size of type, the color of ink, or the form of request adopted by the Department. The name of the post office will be spelled, and the name of State abbreviated, only as they appear in the Official Postal Guide.

8. All requisitions must be accompanied by a legible copy of the return-card desired. If obtainable, a printed letter-head or business card of the purchaser should be attached to his first requisition. With each box of special-request envelopes is furnished a slip of paper bearing the printed return-card, which the postmaster should preserve and attach to his next requisition for the same purchaser, unless a change in

the card is desired. In all cases of error caused through illegible or incomplete copy for return-card, the postmaster will be held responsible therefor and credit will be allowed at postage value only in redemption.

9. Return-cards will not be printed on newspaper wrappers or postal cards.

10. The sole object of the return-card on stamped envelopes as printed by the Department is to secure the return of undelivered letters to the writer, and any matter which is not in harmony with that purpose will not be printed thereon.

REGULATIONS GOVERNING THE AD-
MISSION OF ATTORNEYS TO PRAC-
TICE BEFORE THE POST OFFICE
DEPARTMENT.

July 16, 1907.

Order No. 547.

1. A list of all persons entitled to practice as attorneys before the Post Office Department will be kept in the office of the Postmaster General.

2. It shall be requisite to the admission of attorneys to practice before this Department that they shall be members of the bar in the supreme court of the State, Territory or District of Columbia to which they respectively belong, and that their private and professional character shall appear to be fair.

3. They shall respectively take and subscribe to the following oath or affirmation:

"I,, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic, that I will bear true faith and allegiance to the same; that I take this obligation freely without any mental reservation or purpose of evasion; and that I will demean myself as an attorney before the Post Office Department uprightly and according to law. So help me, God."

4. An applicant for admission to practice must address a letter to the Postmaster General, giving his full name and post office address, and inclosing a certificate of the State, Territory or District Court, duly authenticated under the seal of the court, that he is an attorney in good standing, also a certificate from the judge of the State, Territorial or District Court, duly authenticated under the seal of the

court, that such person is of good moral and professional character, and also the oath above required. He must state whether he has ever been suspended or disbarred from practice. He must also state whether he holds any office of trust or profit under the Government of the United States; and, if he does not at the time hold such office, but ever did, the time of his relinquishment of said office must be given.

5. The Postmaster General may demand additional proof of qualifications and reserves the right to decline to recognize any attorney applying for practice before this Department.

6. No attorney disbarred from practice in this Department or any other Executive Department will be placed upon said list until said order of disbarment shall have been revoked. Any attorney who, subsequently to being placed on said list, is disbarred by any other Executive Department, will be deemed suspended from practice in this Department during the pendency of said order of disbarment.

7. No person who has been an officer, clerk or employee in this Department will be recognized as counsel or attorney for prosecuting any case or matter before this Department or any office thereof, with which he was in any wise connected while he was such officer, clerk or employee.

8. No attorney who has been appointed or generally retained by or for this Department will be recognized as attorney before this Department or any office thereof for two years next after he shall have ceased to act under such appointment or retainer.

9. No person falling within either of the following prohibitions of the law will be recognized:

"Every officer of the United States, or person holding any place of trust or profit, or discharging any official function under, or in connection with, any Executive Department of the Government of the United States, or under the Senate or House of Representatives of the United States, who acts as an agent or attorney for prosecuting any claim against the United States, or in any manner or by any means, otherwise than in the discharge of his proper official duties, aids or assists in the prosecution or support of any such claim or receives any gratuity, or any share of or interest in any claim from any claimant against the United States, with intent to aid or assist, or in consideration of having aided or assisted, in the prosecution of such claim, shall pay a fine of not more than five thousand dollars, or suffer imprisonment not more than one year, or both." (Section 5498, Revised Statutes.)

"It shall not be lawful for any person appointed after the first day of June, one thousand eight hundred and seventy-two, as an officer, clerk, or employee in any of the Departments, to act as counsel, attorney, or agent for prosecuting any claim against the United States, which was pending in either of said Departments, while he was such officer, clerk, or employee, nor in any manner, nor by any means, to aid in the prosecution of any such claim, within two years next after he shall have ceased to be such officer, clerk, or employee." (Section 190, Revised Statutes.)

10. The Head of any office may require an attorney to present satisfactory evidence of his authority to represent the person for whom he appears.

11. If the Head of an office have reason to believe, or if complaint be made to him, that any attorney is guilty of any improper practices in connection with any matter before an office of this Department, the Head of such office shall investigate the matter, giving the attorney due notice, together with a statement of the charge against him, and allow him opportunity to be heard in the premises. If on

the investigation it shall appear that the charge is sustained, the Head of the office shall transmit all the papers in connection therewith, together with a report on the case and such recommendation as to disbarment or suspension from practice as he may deem proper, to the Postmaster General, who will within his discretion disbar or suspend such attorney.

12. Upon the disbarment of an attorney, notice thereof will be given to the Heads of the offices of this Department and to the other Executive Departments, and thereafter, until otherwise ordered, such disbarred person will not be recognized as attorney before the Post Office Department or any office thereof.

13. These regulations shall be effective on and after the 1st day of September, 1907.

PROVISIONS OF THE UNIVERSAL POSTAL CONVENTION OF ROME IN EFFECT OCTOBER 1, 1907.

August 21, 1907.

Order No. 645.

On the 1st of October, 1907, the Universal Postal Convention signed in Rome, Italy, on the 26th of May, 1906, to supersede the Universal Postal Convention signed in Washington on the 15th of June, 1897, will take effect; and on and after October 1, 1907, its stipulations will govern the exchange of Mails between the United States and other countries, except Canada, Mexico, Cuba and the Republic of Panama with which the United States has separate Postal Conventions.

The following principal provisions of the Universal Postal Convention of Rome applicable to articles mailed in the United States on and after October 1, 1907, addressed for delivery in foreign countries except Canada, Mexico, Cuba and the Republic of Panama, are published for the information and guidance of postal officials and the public:

1. The postage rates (except the rate applicable to letters) remain unchanged. They are as follows:

For "letters," five (5) cents for the first ounce, and three (3) cents for each additional ounce or fraction of an ounce; prepayment optional.

For "postal cards," single, two (2) cents, double four (4) cents, each.

For "commercial papers," five (5) cents for the first ten (10) ounces or less, and one (1) cent for each additional two (2) ounces or fraction of two (2) ounces. Limits of size and weight the same as for "prints." The packages must not be closed against inspection.

For "Samples of Merchandise," two (2) cents for the first four (4) ounces or less, and one (1) cent for each additional two (2) ounces or fraction of two (2) ounces. Limit of weight twelve (12) ounces; limit of size twelve (12) by eight (8) by four (4) inches. The packages must not be closed against inspection.

For "prints" of every kind, one (1) cent for each two (2) ounces or fraction of two (2) ounces. Limit of weight four (4) pounds six (6) ounces; limit of size eighteen (18) inches in any direction; except that when rolled the package may measure thirty (30) inches in length by four (4) inches in diameter. The Packages must not be closed against inspection.

Postage upon all articles, other than letters, must be prepaid at least in part. Double the amount of the deficient postage calculated at the above rates, is collectible upon the delivery of articles upon which postage has not been prepaid in full.

2. Every unpaid or short-paid article must have marked upon the cover the capital letter "T," and figures indicating double the amount of the deficient postage (expressed in francs and centimes); which marking is to be done by the exchange post office which despatches the article abroad.

3. In the case of short-paid articles of any kind returned to the senders as undeliverable, the senders must pay the amount which would have been collected of the addressees if the articles had been delivered.

4. Postage can be prepaid only by means of postage stamps of the country in which the article is mailed. Postage prepaid upon articles mailed on board vessels on the high seas must be by means of postage stamps of the country under whose flag the vessel sails; except that postage upon articles mailed in a Sea Post Office on board a Transatlantic Steamer on a voyage from the United States can be prepaid only by means of United States postage stamps, notwithstanding the Steamer may sail under a foreign flag. Postage upon articles mailed on board a Steamer while the Steamer is in a port of any country can be prepaid only by means of postage stamps of that country.

5. The following articles are entitled to transmission in international mails free of postage, viz.:

Official correspondence exchanged between Postal Administrations, between the Administrations and the International Bureau, and between the exchange offices of different countries; as well as correspondence concerning prisoners of war, and for or from them without regard to the locality of the prisoners or the manner in which the correspondence is transmitted. Postage upon all other articles can be prepaid only by means of postage stamps. The reply-half of a double postal card bearing a postage stamp of the country which issued the double card, is to be considered as prepaid.

6. A "reply-coupon" may be purchased (price six (6) cents) at post offices, which upon presentation at a post office in either of the countries named below will entitle the person presenting it to receive (without charge) a postage stamp of that coun-

try equivalent in value to a 5-cent United States postage stamp. By this arrangement a person in the United States can furnish his correspondent in either of said countries with a postage stamp with which to prepay postage on a reply to his letter. The countries in which the reply-coupon is valid, are:

Germany, the German Protectorates, and German post offices in Asia, Africa and Australasia; Austria and the Austrian post offices in the Levant, Belgium, Bosnia-Herzegovina, Brazil, Bulgaria, Chile, Corea, Costa Rica, Crete, Denmark and the Danish Antilles, Egypt, Spain, France, the French post offices in Morocco, and the French Colonies except Madagascar, Mayotte, Mohele and Establishments in India; Great Britain, and British Colonies except Orange River, Antigua, Barbados, Bermuda, Cypress, Falkland Islands, British Guiana, Jamaica, Southern Nigeria, Sarawak, Trinidad and Zanzibar; Greece, Guatemala, Haiti, Republic of Honduras, Hungary, Japan and Japanese post offices in China and Manchuria; Luxemburg, Mexico, New Zealand, Norway, The Netherlands and the Netherlands Indies; Roumania, Siam, Sweden, Switzerland, Tunis.

7. *Postal cards* must bear at the head of the front the title "Postal Card" or its equivalent. They must be made of cardboard or thick paper, and must not be enclosed in an envelope. Private postal cards need not bear that title. They must not be larger than $5\frac{3}{5} \times 3\frac{3}{5}$ inches, nor smaller than $4 \times 2\frac{3}{4}$ inches. Postage stamps should be placed in the upper right hand corner of the address side. The right-hand half of the address side is reserved for the address, postmarks, etc.: the left-hand half may be used to contain a message, or a picture on very thin paper may be pasted there; also a label not exceeding 2 inches by $\frac{3}{4}$ of an inch in size may be pasted there. On the back of the card a picture on very thin paper

may be pasted. With the exception of postage stamps, the labels and the pictures on very thin paper mentioned above, nothing may be attached to a postal card. Each half of a (double) reply-postal card must conform to the foregoing conditions. The two halves must be folded one on the other, and must not be closed in any manner. If the reply-half of a foreign double postal card is not addressed to the country which issued the card, it must be treated as an unpaid postal card unless it bears United States postage stamps; it cannot be registered by the original sender of the card. Postal cards which do not conform to the conditions prescribed for them as stated above, must be treated as letters.

8. *Commercial papers* consist of articles written or drawn wholly or partly by hand which have not the nature of personal correspondence: such as deeds, invoices, insurance papers, etc.—including manuscript for publication, manuscript music, original and corrected tasks of pupils excluding all comments on the work.

9. *Samples of Merchandise* must conform to the following conditions, viz.:

1st-a. They must be placed in bags, boxes or removable envelopes, in such manner as to permit of *easy* inspection.

b. They must not have any salable value, nor bear any manuscript other than the name and social position of the sender, the address of the person for whom they are intended, a manufacturer's or trade mark, numbers of order, prices and indications relating to weight, size and quantity to be disposed of, or those necessary to precisely indicate the origin and nature of the merchandise.

2nd. Articles of glass, liquids, oils, fatty substances, dry powders, as well as live bees, are admitted to the mails as "samples" provided they are packed in the following manner:

a. Articles of glass must be packed solidly in boxes of metal or wood in a

way to prevent all damage to other articles or the employees.

b. Liquids, oils and substances easily liquefiable must be enclosed in glass bottles hermetically sealed. Each bottle must be placed in a wooden box filled with spongy material sufficient to absorb the liquid in case the bottle should be broken. Finally, the box itself must be enclosed in a case of metal or wood with a screw top, or of strong and thick leather.

If perforated wooden blocks are used, measuring at least one-tenth of an inch in the thinnest part, filled with sufficient absorbing material and furnished with a lid, the blocks need not be enclosed in a second case.

c. Fatty substances, such as ointments, soft-soaps, resins, etc., must be enclosed in an inner cover (box, linen bag, parchment, etc.) which must be placed in a second box of wood, metal or strong thick leather.

d. Dry-powders must be placed — if coloring — in bags of leather, gummed cloth or strong oiled paper; and if not coloring, in boxes of metal, wood or cardboard: which bags or boxes must be enclosed in a cloth or parchment bag.

e. Live bees must be enclosed in boxes which avoid all danger and permit examination of the contents.

3rd. Single keys, fresh-cut flowers, tubes of serum and pathological objects rendered in-offensive by their mode of preparation and packing; specimens of natural history, such as dried or preserved animals and plants, geological specimens, etc., are admitted to the mails at the postage rate and under the conditions applicable to "samples:" provided they are not sent for a commercial purpose and that their packing conforms to the general conditions prescribed for samples.

10. *Prints* of all kinds are subject to the following conditions:

a. Stamps and other forms of prepayment whether canceled or not; prints constituting the sign of monetary value,

articles the text of which has been altered after printing except as indicated below, are notailable at the postage rate applicable to "prints."

b. Facsimile copies of manuscript or typewriting — if sent as prints — must be mailed at Post Office windows in not less than twenty (20) perfectly identical copies.

c. Additions (by hand or other means) may be made to "prints" as follows:

On the outside of the package or on the print itself, the name, business and residence of the sender, and date of despatch; to correct errors, cross out certain parts, and make prominent by means of marks certain parts of the text; to add the "copy" to the "proof," and to make changes in and additions to the proof on separate sheets if necessary; to add to visiting cards as well as to Christmas and New Year cards the title and address of the sender, as well as congratulations, thanks or other forms of courtesy not to exceed five (5) words; to add to cards of invitation and notices of meetings, the name of the person invited, the date, object and place of meeting; to add to books, sheet music, periodicals, photographs and engravings, a dedication, as well as to attach the bill or invoice; to add to clippings from periodicals, the title, date, number and address of the periodical; to insert figures in price-lists, offers for advertisements, stock quotations, trade circulars and prospectuses, as well as the name of the traveler, the date, and name of the locality through which he expects to pass, on notices of that kind; to indicate on booksellers order bulletins, the works desired or offered, and to cross out or underscore the whole or any part; to add on notices relating to the movements of vessels, the dates of sailings and arrivals, as well as the names of the vessels; to add to notices of shipment, the date of the shipment; and to paint fashion plates, maps, etc.

d. No manuscript additions other than those indicated above are allowed upon prints.

e. Prints must be wrapped so that the contents may be *easily* examined without damaging the cover. But *cards* need not be enclosed unless they are embellished by means of mica, ground glass or a similar substance.

f. Cards bearing the title "postal card" or its equivalent are admissible to the mails at the postage rate applicable to "prints," provided they conform to the general conditions prescribed herein for "prints." If they do not conform to those conditions, they must be treated as postal cards.

11. The following articles are *prohibited* circulation in international mails, viz.:

Articles which do not conform to the conditions prescribed for them.

Articles which may be dangerous or likely to soil or damage other articles. Pieces of money (coin), articles liable to customs duty, gold, silver, or precious stones, jewelry and other precious articles, but only to those countries the legislation of which does not permit their admission to the mails. Any article the introduction or circulation of which is prohibited by the laws of the country of destination.

12. Postage stamps are required to be printed in colors as follows:

Stamps of the value of five (5) cents, in deep blue; of the value of two (2) cents, in *red*; stamps of the value of one (1) cent, in *green*.

13. Every article addressed for delivery in a foreign country must show upon its cover an impression of the date-stamp of the mailing post office; and all *valid* postage stamps must be canceled.

14. A post office receiving letters and postal cards from foreign countries, must impress its date-stamp upon the back of letters and on the front of postal cards; and may impress its date-stamp upon the

front of the reply-half of a double postal card received from abroad.

15. Articles of every kind addressed to persons who have changed their residence, are required to be forwarded to the addressee from place to place, without additional charge for postage and if registered without charge of any additional registry fee. But, if addressed originally within the country of mailing, an article is chargeable on being forwarded, with the amount necessary to fully prepay postage at the rate applicable to articles addressed to the country to which the article is forwarded, and must be paid by the addressee wherever he receives the article; but no additional fee can be demanded.

16. Missent articles of every kind are forwarded by the quickest route to their destination. But articles returned to senders on account of having been erroneously addressed, become subject to fresh charges for postage if remailed with a corrected address.

17. Articles which prove to be undeliverable are required to be returned to the senders (marked to show why they were not delivered) within two (2) to six (6) months after they are received in the country of destination; except that prints which appear to have no permanent value may be destroyed; and that short-paid "chain-letters" which are refused by addressees because they are "chain-letters," need not be returned to the country of origin.

18. In the case of short-paid articles for sailors and others addressed in care of a Consul, if returned by the Consul as undeliverable, the amount of postage due collected of the Consul must be returned to him by the postmaster from whom he received the articles.

19. The sender of an article may cause it to be withdrawn from the mails, or its address to be changed; provided the legislation of the country for which the article

is destined allows such withdrawal or change of address.

20. The sender of an article, or the postmaster at the mailing post office, in one country may make a request direct to the postmaster at a post office in another country to which the article is addressed for delivery, to forward the article to the same addressee at any other post office in the Postal Union, and such request must be complied with. But if the sender wishes the article to be forwarded or delivered to a person other than the one named in the address of the article, the request must be made through the Post Office Departments of the two countries; and if such requests are received by United States postmasters direct from persons in other countries, such requests must be referred to this Department, and the article must be held until the Department's instructions concerning it are received.

21. Articles addressed by initials, or in pencil, are not allowed to be registered.

22. Packages of prints destined for delivery in Persia or at native post offices in the Empire of China, are subject on delivery to additional postage charge equal to one cent, without regard to the amount of postage prepaid thereon.

23. Unpaid or short-paid registered articles must be delivered to addressees without charge; but the exchange office which receives them from abroad must promptly notify the exchange office which despatched them, by means of a Bulletin of Verification, of the short-payment.

24. Registered articles for which a return-receipt is desired, must be marked very plainly "Return-receipt." The return-receipt must be made out and attached, by means of a string tied cross-wise, to the article. The return-receipt accompanying a registered article must be signed by the person to whom the article is delivered, and must be returned to the post office from which the registered article was received.

25. Closed mails may be exchanged between any country and the Commanders of its naval vessels abroad; and between naval Commanders of the same country stationed abroad. These mails must consist exclusively of articles addressed to or sent by the officers and crews of the vessels which send or receive the mails, and the rates and conditions applicable to the articles are determined by the postal authorities of the country to which the vessels belong. The address of such mails should be in form as follows:

"From the office of.....
 For { The (nationality) naval squadron (name) at ...
 or
 The (nationality) vessel (name) at.....
 From { The (nationality) naval squadron (name) at..
 or
 The (nationality) vessel (name) at.....
 For the post office at.....
 Or
 From { The (nationality) naval squadron (name) at..
 or
 The (nationality) vessel (name) at.....
 For { The (nationality) naval squadron (name) at ...
 or
 The (nationality) vessel (name) at....."

26. If the naval vessels are not at the place of destination when the mails addressed to them arrive there, the mails are kept at the post office until claimed by the addressee or forwarded to another place. The forwarding may be requested either by the post office of origin or by the Commander of the naval squadron or ship addressed, or finally by a Consul of the same nationality.

Such of the mails as bear the endorsement "In care of the Consul of" must be delivered to the Consul referred to. At the request of the Consul they may be received back into the postal service and be forwarded to the place of origin or to some other destination.

Mails for naval vessels sent outside of the regular mails, must be delivered to the vessels addressed if called for en route. No mail for a naval vessel is considered as having reached its destination until it has been delivered to the ship addressed.

LOTTERY SCHEMES.

Fraud orders were issued as follows:

No. 633, dated August 17, 1907, against Cunliffe, Russell & Company, 10 and 12 Place de la Bourse, Paris, France.

The following orders and notices were issued from the bureau of the First Assistant Postmaster General — F. H. Hitchcock, First Assistant:

INSTRUCTIONS TO POSTMASTERS
RELATIVE TO FILLING VACANCIES
IN POST OFFICE FORCE.

When a vacancy occurs in the post office force, whether caused by an employee's separation from the service, promotion, or reduction, changes may be recommended as follows:

Vacancies in positions above the highest grade of clerks and carriers.—When a vacancy occurs in a position above the highest grade of clerks and carriers (that is, a position paying more than \$1,200 a year), the postmaster may recommend the promotion to such position of an employee occupying any other position above the highest grade of clerks and carriers (that is, the \$1,200 grade), or the promotion of a clerk or carrier of the highest grade in the office concerned, provided that such clerk or carrier has served satisfactorily during the preceding year. Such changes may take effect on any day following the date on which the vacancy occurs.

Vacancies in clerk and carrier grades.
—A vacancy in the clerical grades (that is, \$600 to \$1,200) may be filled only by the appointment of a clerk at \$600. A vacancy in the carrier grades (\$600 to \$1,200) may be filled only by the appointment of a carrier at \$600. Such appointments may take effect on any day after the date on which the vacancy occurs.

If the vacancy is in the \$1,200 grade at a first-class office, or in the \$1,100 grade at a second-class office, the postmaster may recommend (on Form D-104 or C-204) the promotion to such grade at the beginning of the following quarter of any employee who has served satisfactorily for one year in the next lower grade.

Vacancies in mechanical and subclerical positions.—A vacancy in a mechanical or subclerical position (carpenter, janitor, laborer, etc.) may be filled, as heretofore, by promotion or by appointment from the substitute force, the changes to take effect on any day following the date on which the vacancy occurs.

Forms to be used.—In reporting the choice of substitute clerks from the Civil Service register use Form C-201. In reporting the choice of substitute carriers use Form D-101 (formerly 1101). In recommending the promotion of employees in the higher positions (above \$1,200) and the appointment of regular clerks at \$600 use Form C-202. In recommending the appointment of regular carriers at \$600 use Form D-102 (formerly 1101½). All recommendations should be submitted in triplicate. Do not use the forms above mentioned in recommending the promotion of clerks or carriers in the grades from \$600 to \$1,200, special forms being provided for that purpose (D-104 and C-204).

July 10, 1907.

EMPLOYEES' EFFICIENCY AND
DISCIPLINE.

July 15, 1907.

On June 30, 1907, the practice of suspending letter carriers without pay for purposes of discipline, except as explained below, was discontinued.

The postmaster should keep a record showing the dates and the exact nature of all offenses and delinquencies on the part of clerks and carriers, including violations of the regulations or office rules, breaches

of discipline, conduct unbecoming an employee of the service, and errors in the performance of duty. An employee's promotion should not be recommended unless his record has been good for the preceding year. Should an employee commit some offense requiring severe disciplinary action, but not warranting his removal from the service, or should his record show at any time that he has not maintained a fair degree of efficiency and faithfulness, the postmaster should recommend his reduction to a lower grade, in accordance with the following provision of the act of Congress approved March 2, 1907:

The Post Office Department may reduce a clerk or carrier from a higher to a lower grade whenever his efficiency falls below a fair standard or whenever necessary for purposes of discipline.

If an employee should be guilty of an offense so flagrant as in the postmaster's judgment to render desirable his immediate removal from the service, he may be suspended from duty pending final action in the case. Authority for such suspension should be requested by telegram, to be followed promptly by a letter stating the facts in detail in accordance with the requirements of sections 295 and 734 of the Postal Laws and Regulations of 1902.

These instructions are issued for the guidance of postmasters pending the publication, within a short time, of specific regulations covering questions of employees' efficiency and discipline.

The following orders and notices were issued from the bureau of the Second Assistant Postmaster General—J. T. McCleary, Second Assistant:

Division Superintendents and Chief Clerks will give this matter their personal attention and impress upon all the necessity for a strict compliance with this regulation.

SURPLUS MAIL LOCKS.

You will therefore please cause a special search of your office to be made with as little delay as possible, and forward all the surplus locks that can be spared to your mail bag depository.

This is an important matter, and your personal attention and co-operation is earnestly solicited.

Postmasters and postal clerks will take note of this and be careful to observe the name of the State on all mail addressed to Kansas City.

The following orders and notices were issued from the bureau of the Third As-

Assistant Postmaster General—A. L. Lawshe, Third Assistant:

NEW DESIGN OF POSTAL CARD.

July 25, 1907.

Postmasters and others in the postal service are notified that a 1-cent postal card of new design is being issued by the Department. The card is of cream-colored paper, $3\frac{1}{4}$ by $5\frac{1}{2}$ inches in size, printed in black ink, and the design is described as follows:

The card contains the words "Postal Card" in large tinted letters, with the words "The space below is for the address only" beneath, in light block letters. A frame surrounds the stamp. At the top are the words "United States of America," and at the bottom, "Postage one cent." The portrait used upon the stamp is a profile of McKinley in a circular frame, with the date of his birth and death, and his name, "1843, McKinley, 1901," inclosed in a ribbon.

The Department has a supply of the old design of 1-cent cards (series of 1902) on hand, from which, until it is exhausted, postmasters' future requisitions will be filled. Postmasters must not send in their undamaged cards of the old design for redemption; these cards will continue to be valid for postage, and must be sold until their stocks are exhausted.

LATEST CHANGES

LIST OF POST OFFICES ESTABLISHED, NAMES CHANGED, AND DISCONTINUED FROM DECEMBER 1st, 1906, TO AUGUST 25th, 1907.

NOTE.—This list, taken in connection with the list of offices in the GUIDE for January, 1907, shows the offices in operation. Former monthly lists should be disregarded, as reference to them can only confuse. Post offices marked with an asterisk (*) have been established since the publication of the January GUIDE, and afterwards discontinued, or names changed; those with a double dagger (‡) post offices discontinued for the winter; those with parallel (||) discontinued for the summer, and those with a section mark (§) where discontinuance has been rescinded.

Money order offices in **full-face** type and Presidential offices with a dagger (†). *Independent Stations* are the only stations to which Postmasters address *Registered Package* envelopes. In the list of corrections A. refers to General Alphabetical list, and S. to that by States. R. D. signifies Rural Delivery.

CORRESPONDENCE WITH THE DEPARTMENT

Postmasters and postal employees will address the various divisions of the Department in charge of the particular subjects under discussion, business will be expedited.

Attention is respectfully invited in this connection to page 651, January, 1907, Postal Guide, giving "Instructions Relative to Correspondence with the Department," and also to Order No. 122, page 7 of the April, 1907, supplement, which states various changes made in department methods since the January Guide was issued.

Stamped Paper Sent to the Department For Redemption.

Considerable annoyance and delay in adjusting quarterly postal accounts is caused by the failure of postmasters to observe the provisions of the Postal Laws and Regulations in sending stamped paper to the Department for redemption.

Hereafter all postmasters must strictly observe the instructions given on page 19 of the March, 1907, supplement, as well as those found in Articles 549 to 554, pages 847 to 850, January, 1907, Postal Guide.
