Third Series.

November, 1909.

Vol. 2, No. 5.

The following orders were issued from the office of the Postmaster General—Frank H. Hitchcock, Postmaster General:

AMENDMENTS TO THE POSTAL LAWS AND REGULATIONS.

SEPARATE REGISTERED PACKAGE ENVELOPES TO BE USED TO COVER FIRST-CLASS REGISTERED MAIL.

Order No. 2698.

OCTOBER 23, 1909.

Until otherwise ordered, postmasters will discontinue inclosing registered matter of the second, third or fourth class in the same registered package envelope with matter of the first-class.

All registered package envelopes covering mail of the second, third or fourth class must be indorsed "Parcel matter" on the outside.

Those portions of the Postal Laws and Regulations which are inconsistent with this order are hereby modified accordingly.

SUSPENSION OF USE OF REGISTRY POUCH BILL COUPONS WITH NOT-REGULAR DISPATCHES OF REGISTERED MAIL.

Order No. 2699.

OCTOBER 23, 1909.

The authority given by the Postmaster General in Order No. 2399, dated June 26, 1909, for the suspension of the use of pouch-bill coupons with regular dispatches of registered mail is hereby extended to cover all *not-regular* dispatches of registered mail in through pouches and inner sacks, R. P. O. through pouches and inner sacks, paper and sack jackets.

The use of coupons with dispatches of registered mail in *iron-locked pouches* where the manifold dispatch book Form 3853 has been specially authorized is not hereby affected but is to be continued as heretofore.

The instructions accompanying the authority for the suspension of pouch-bill coupons with regular dispatches given in the Postmaster General's Order No. 2399, June 26, 1909, printed on pages 9 and 10 of the August, 1909, Postal Guide, apply also to this authority for the suspension of such coupons with not-regular dispatches of registered mail.

Further detailed instructions which may be found necessary under this order will be issued from the office of the Third Assistant Postmaster General, *upon request therefor*.

Every postmaster concerned is enjoined to keep careful watch of the results of this suspension of coupons for not-regular dispatches, which is experimental, and report to the Third Assistant Postmaster General any reason against its continuance.

ORDINARY POUCHES CLOSED WITH ROTARY LOCKS MAY BE USED IN DISPATCH OF REGISTERED MAIL.

Order No. 2700.

OCTOBER 23, 1909.

Until otherwise ordered, postmasters and railway postal clerks dispatching registered mail in through pouches and inner sacks are hereby authorized to use ordinary pouches closed with rotary locks whenever the supply of registry pouches and sacks on hand is insufficient.

Postmasters and railway postal clerks receiving registered mail in ordinary pouches closed with rotary locks need not return the ordinary pouches, which, if not needed for use, should be treated as surplus mail bags, in accordance with Section 1352 of the Postal Laws and Regulations.

Rotary locks used in closing dispatches of registered mail in ordinary pouches will be disposed of in accordance with the Postal Laws and Regulations, and the special instructions issued by the Third Assistant Postmaster General:

(1) Authorizing not-regular dispatches of inner registered sacks by postmasters and by railway postal clerks,

(2) For the conduct of the R. P. O. through pouch and inner sack service.

Such portions of the Postal Laws and Regulations as are inconsistent with this order are hereby modified accordingly.

BULK BILLING OF REGISTERED MAIL OF THE SECOND, THIRD AND FOURTH CLASSES.

Order No. 2701.

OCTOBER 23, 1909.

Beginning November 22, 1909, and continuing until otherwise ordered, postmasters and railway postal clerks making dispatches of registered mail in through pouches, inner sacks and lead-sealed jackets are hereby authorized to bill matter of the second, third and fourth classes in bulk in lieu of descriptive entries on the bills, as heretofore.

All matter of the first-class will continue to be billed as at present. R. P. E's containing matter of the second, third and fourth classes must be indorsed "parcel matter" to indicate the class of matter inclosed, and will be billed in bulk with other matter of those classes.

For example: If there are twenty pieces (five first-class and fifteen second, third and fourth class) to be dispatched in a through pouch, inner sack or lead-sealed jacket, the five first-class pieces will be described on the bill by R. P. E. number, office of origin, date of postmark and destination, and the fifteen pieces of the second, third and fourth classes will be billed as one entry, thus: "fifteen parcels," without other specific description.

Matter received in bulk must be counted and verified by the entry on the bill.

Postmasters and railway postal clerks will continue to make a descriptive record of all classes of registered mail when re-dispatching same under cover of iron-locked pouches.

Postmasters receiving second, third and fourth class matter billed in bulk, for delivery at their offices, will record and deliver it in the usual manner. Registered special delivery matter of whatever class must be given a descriptive entry, and handled in the same manner as first-class matter.

Those portions of the Postal Laws and Regulations which are inconsistent with this order are hereby modified accordingly.

DISCONTINUANCE OF BACKSTAMPING REGISTERED PACKAGE AND TAG ENVELOPES AND JACKETS IN TRANSIT.

OCTOBER 23, 1909.

Order No. 2707.

Section 843 of the Postal Laws and Regulations is hereby further amended as follows:

Section 843. When a postmaster or a railway postal clerk receives a registered package or jacket, he must carefully examine it, and, if in bad condition, must note thereon, and on the records, a statement of the facts over his signature or office stamp. No "Record of Transit" need be made on registered package, tag envelopes or jackets except at the office of delivery and when received in bad condition or missent. The absence of indorsement will be deemed a certification that the article was in good condition.

2. If registered tag envelopes are torn off in transit they must be securely reattached to the parcels from which they became separated. (See Section 819).

DISCONTINUANCE OF LETTER OF ADVICE ON FORM NO. 3891, FOR ALL DISPATCHES OF THROUGH REGISTERED POUCHES AND INNER REGISTERED SACKS.

OCTOBER 26, 1909.

Order No. 2713.

Section 914 of the Postal Laws and Regulations is hereby amended by striking out from paragraph *f* thereof the following words:

"And a letter of advice, on Form 3891, must be sent in the ordinary mail to the postmaster to whom the pouches are sent, immediately preceding or at the time of the dispatch of the pouches or sacks."

DISCONTINUANCE OF ADDRESSES ON REGISTERED TAG ENVELOPES.

OCTOBER 26, 1909.

Order No. 2714.

Section 819 of the Postal Laws and Regulations is hereby amended by striking out from the first line of paragraph 2 thereof the word "Addressed."

Registered tag envelopes should be prepared and attached as heretofore except that they need not be addressed.

POSTMARKING AND CANCELING.

OCTOBER 18, 1909.

In view of the many reports received at the Department of the failures of postmasters to postmark letters legibly and cancel the stamps thoroughly, the attention of all postmasters is called to the provisions of Sections 564-568, Postal Laws and Regulations, which must be observed.

The following orders and notices were issued from the bureau of the Second Assistant Postmaster General — Joseph Stewart, Second Assistant:

THE PARCEL-POST.

INFORMATION POSTED IN POST OFFICES.

JULY 10, 1909.

A placard, 11 x 14 inches in size, calling the attention of the public to the parcel-post service to foreign countries, has been prepared for posting conspicuously in every United States post office, branch post office, station and substation.

Postmasters should make requisition on this office for the number of such placards necessary to fully equip their offices with the same.

Full information with regard to the foreign countries concerned, the limits of size, weight, and value, and the general conditions of the parcel-post, which will enable postmasters to answer all inquiries at their offices, will be found on pages 171 to 178 of the United States Official Postal Guide for July, 1909.

DUTCH GUIANA — CUSTOMS DECLARATIONS AND RETURN-RECEIPT.

OCTOBER 19, 1909.

Referring to the Postmaster General's Order No. 2631, dated September 20, 1909, postal officials are informed that each parcel-post package for Dutch Guiana must be accompanied by two (2) Customs Declarations and that a return-receipt for a parcel may be obtained upon the payment of a fee of 5 cents in addition to the postage, provided the words "return-receipt demanded" are written plainly on the cover of the parcel.

Section 110 on page 173, and Section 116 on page 174, of the Postal Guide for July, 1909, should be modified accordingly.

MEXICO — PARCELS FOR PANINDICUARO.

SEPTEMBER 30, 1909.

Referring to the circular dated December 29, 1898, on page 1107 of the United States Official Postal Guide for January, 1899, relative to parcel-post packages for Mexico, United States postal officials are informed that the Postal Administration of Mexico has advised this Department that parcels weighing up to eleven (11) pounds (5 kilograms) may be sent to the Mexican post office of

Panindicuaro.....State of Michoacan.

Consequently, parcel-post packages weighing not more than eleven pounds may be accepted for mailing to the Mexican post-office above named as well as to the Mexican post offices named on pages 175-178 of the United States Official Postal Guide for July, 1909.

PERU — NO LIMIT OF VALUE.

OCTOBER 25, 1909.

Notice is hereby given that there will be no limit of value on parcel-post packages for or from Peru mailed on and after December 1, 1909.

Postmasters will cause due notice of the foregoing to be taken at their offices, and the "(*)" on page 172 of their copies of the Postal Guide for July, 1909, to be modified accordingly.

SWEDEN — RATE OF POSTAGE; LIMIT OF WEIGHT AND VALUE.

SEPTEMBER 27, 1909.

Order No. 2644.

The Postal Administration of Sweden and this Department having agreed thereto, the limit of weight and value applicable to parcels admissible on and after the 1st of October, 1909, to the parcel-post mails exchanged between Sweden and the United States will be eleven pounds and eighty dollars instead of four pounds, six ounces and fifty dollars, respectively, as at present.

The postage rate applicable in the United States to parcel-post packages for Sweden will be 12 cents for each pound or fraction of a pound, full prepayment being compulsory.

CANDY.

OCTOBER 23, 1909.

The Department having been advised that postmasters are refusing to receive packages containing candy for dispatch by parcel-post, postal officials are hereby instructed that the prohibition against "confections" in the parcel-post extends only to fruit preserved with sugar.

Consequently, candy not containing fruit, is mailable by parcel-post, provided it is so substantially packed as not liable to damage other articles in the same mail.

Postmasters will cause due notice of the foregoing to be taken at their offices.

ALASKA AND YUKON TERRITORIES — MAILS FOR, DURING WINTER 1909-1910.

OCTOBER 19, 1909.

Information has been received stating that arrangements similar to those in operation last winter have been made by the Post Office Department of Canada for the transportation of mails to and from the Yukon District via White Horse, including mails for Alaska via Dawson, during the approaching winter season, commencing Oct. 1, 1909. The same restrictions and conditions will apply in the dispatch of mails referred to as prevailed during the last winter season.

CUSTOMS DUTY ON MAIL MATTER FOR NEW ZEALAND.

OCTOBER 15, 1909.

Under date of the 14th ultimo, the Postal Administration of New Zealand has advised this Department as follows:

"Handbills, circulars, programmes, playbills, printed posters, trade catalogues, price lists and fashion plates, printed advertising matter, also paper bags and wrapping paper or wrappers of all kinds printed or lithographed, and printed or lithographed envelopes or labels, are chargeable with customs duty at the rate of 3*d.* per pound on receipt through the post in New Zealand, as well as a surtax of 3-5*d.* per pound if not produced in British dominions. Duty is not payable on trade catalogues or price lists of the goods of firms or persons having no established business in New Zealand. Calendars and showcards of all kinds are liable to a duty of 25 per cent *ad valorem* and to a surtax of 12½ per cent *ad valorem* if not produced in British dominions."

Postmasters will cause due notice of the foregoing to be taken at their offices.

The following order and instructions were issued from the bureau of the Third Assistant Postmaster General — A. L. Lawshe, Third Assistant:

PACKING OF STAMP BOOKS.

OCTOBER 25, 1909.

1. Beginning on or about October 27, 1909, books of stamps will be packed in a new style of flat box containing 60 books of a single variety; that is to say, 60 books of 24 1c. stamps, 60 12-2c., 60 24-2c., or 60 48-2c.

2. Boxes will also be issued containing a total of 60 stamps of different varieties, thus:

Books of —				Total number of books.	Total value.
24 1c. stamps.	12 2c. stamps.	24 2c. stamps.	48 2c. stamps.		
10	30	10	10	60	\$24 60
10	40	10	60	17 40
....	50	10	60	17 40
10	50	60	15 00

3. Three of the new boxes, laid side by side, correspond to the size of a sheet of postage stamps. When a postmaster's requisition calls for both sheets and books of stamps, they will be packed together, for the purpose of reducing the number of separate packages.

4. Postmasters at the smaller offices can secure so few as 10 books of a single variety. They are urged, however, to draw their requisitions for boxes of 60 when possible. Requisitions should be drawn for three to nine months' supply at a time. See Sec. 356, P. L. & R., as to care of surplus stock.

5. The larger post offices will be supplied as heretofore with packages containing the following quantities or multiples:

- 500 books of 24 1c. stamps.
- 1,000 books of 12 2c. stamps.
- 500 books of 24 2c. stamps.
- 500 books of 48 2c. stamps.

6. Requisitions not conforming to this packing will be amended by the Department.

POSTMASTERS NOT TO DRAW REQUISITIONS FOR STAMPED PAPER TO BE SHIPPED DURING HOLIDAY SEASON.

OCTOBER 20, 1909.

Postage stamps, stamp books and postal cards are shipped about three business days after receipt of requisitions at the Department; stamped envelopes, two to six days.

Postmasters are directed to so time their requisitions for such supplies as to avoid shipment thereof between December 18 and 27. This is to relieve the mails at a time when they are taxed with holiday business. It does not apply, however, to requisitions for special request envelopes, which should always be drawn the same day order is taken from purchaser (see Section 336, P. L. & R.).

Attention is directed to paragraph 3, Section 331, Postal Laws and Regulations of 1902, for instructions as to the proper time for drawing requisitions. See also paragraphs 4, 12, 15 and 16, pages 30 and 31 of the July, 1909, Postal Guide for instructions as to quantities to be ordered.

DISCONTINUANCE OF THE USE OF REGISTRY ADVICE, FORM NO. 3891, WITH NOT-REGULAR DISPATCHES.

OCTOBER 26, 1909.

The instructions for not-regular dispatches of inner registered sacks, published on pages 71 to 73 of the July, 1909, Postal Guide, are hereby amended by striking out the paragraph numbered 31 thereof printed on page 71.

The use of the Form No. 3891 is no longer required for any dispatches of registered mail, regular or not-regular. (See amended Section 914, P. L. & R.)

NOT-REGULAR INNER REGISTERED SACKS MAY BE DISPATCHED TO ALL POST OFFICES OF THE FIRST AND SECOND CLASSES, ON AND AFTER DECEMBER 1, 1909.

OCTOBER 23, 1909.

Arrangements have been made with the Second Assistant Postmaster General to have the postmasters at all post offices of the first and second classes furnished with ordinary rotary-lock keys by December 1, 1909.

Postmasters dispatching registered mail in through pouches or inner sacks are therefore authorized, on and after December 1, 1909, to make not-regular dispatches of inner registered sacks to any office of the first or second class, in addition to any other office known to have an ordinary rotary-lock key, in accordance with instructions printed on pages 71 to 73 of the July, 1909, Postal Guide.

The names of the post offices of the first and second classes may be obtained from the list of offices of the first, second and third classes, printed on pages 660 to 688 of the July, 1909, Postal Guide; and a list of other offices having rotary-lock keys will be found on pages 106 and 107 of the same Guide. Additions are published in the monthly supplements.

Lead-sealed sack-jackets must not be made up when it is possible to dispatch the registered mail in inner registered sacks. If no inner sacks are on hand, registered mail should be dispatched in an ordinary pouch closed with a rotary lock, in preference to a lead-sealed sack-jacket.

Postmasters receiving not-regular dispatches of registered mail under cover of rotary locks are enjoined to read and comply with the instructions governing not-regular dispatches of registered mail, so far as applicable to their offices.

NOT-REGULAR R. P. O. INNER REGISTERED SACKS.

OCTOBER 23, 1909.

All post offices, railway post offices and terminal railway post offices authorized to dispatch R. P. O. through registered pouches or inner sacks are hereby authorized to make not-regular dispatches of R. P. O. inner registered sacks to any post office, railway post office or terminal railway post office known to be supplied with R. M. S. rotary-lock key, whenever the quantity or bulk of registered matter justifies.

Not-regular dispatches of R. P. O. inner registered sacks (including the disposition of equipment) are to be governed by the Postal Laws and Regulations relative to regular dispatches, the special instructions authorizing not-regular dispatches of inner registered sacks by postmasters, printed on pages 71 to 73 of the July, 1909, Postal Guide, and the printed instructions for the conduct of R. P. O. through pouch and R. P. O. inner sack service heretofore furnished.

When inner registered sacks are not available, these dispatches may be made under cover of ordinary pouches closed with R. M. S. rotary locks.

Lead-sealed sack-jackets should not be used by postmasters or in the Railway Mail Service for the dispatch of registered mail in any case where it may be sent under cover of sacks or pouches closed with rotary locks, and the authorization for the use of lead-sealed sack-jackets in the Railway Mail Service, printed on page 74 of the July, 1909, Postal Guide, is hereby modified accordingly.

REGISTRY SHORTAGE SLIP—FORM NO. 3808.

OCTOBER 5, 1909.

To All Postmasters having Regular Registry Exchanges:

A new form, No. 3808, notice of failure to make regular dispatch of through registered pouch or inner registered sack, has been issued for use by postmasters in compliance with the first paragraph of Section 1555 of the Postal Laws and Regulations, and in accordance with instructions printed on the form.

All postmasters having regular exchanges of through registered pouches or inner registered sacks should at once make requisition on the Fourth Assistant Postmaster General, Division of Supplies, for small supplies of this form (from 25 to 100 copies for each post office, according to probable need); and further requisition should be made accordingly when needed.

NEW REGISTRY STATISTICAL FORMS FOR USE AT MAIN OFFICES, STATIONS AND BRANCH POST OFFICES.

OCTOBER 6, 1909.

The stock of registry statistical record books, Form 3873, is exhausted at the Department and will not hereafter be furnished. For use in lieu thereof the Department has prepared a new registry statistical record in loose sheets, Form 3873, which will be furnished to all post offices having stations or branch post offices, and postmasters at such offices are hereby directed to at once make requisition on the Fourth Assistant Postmaster General (Division of Supplies) for fifteen copies of new Form 3873.

The postmasters at offices having delivery stations and branch post offices will also order fifteen copies of new Form 3873-S for each delivery station or branch.

The postmasters at offices having numbered stations will, if they have not now a supply on hand, order fifteen copies of old Form 3873-S for each numbered station.

All station reports of registry business must be sent to the main office on these forms at the close of each month.

A new form for numbered station registry reports, to be known as Form 3873-N, will be prepared and supplied to post offices having numbered stations as soon as the present stock of old Form 3873-S in the Office of the Fourth Assistant Postmaster General (Division of Supplies) is exhausted.

DISPATCH OF REGISTERED MAIL FOR CANAL ZONE VIA NEW ORLEANS, LA.

OCTOBER 8, 1909.

Postmasters in Alabama, Arkansas, Colorado, Florida, Georgia, Iowa, Kansas, Kentucky, Louisiana, Minnesota, Mississippi, Missouri, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, South Carolina, South Dakota, Tennessee, Texas, Wisconsin, and Wyoming, will send to New Orleans, La., as the proper exchange office, registered mail addressed for delivery at any office in the Canal Zone when they are reasonably certain that such dispatch will expedite its transmission and that the mail can reach New Orleans, La., in time to connect dispatches from that office by steamers scheduled to sail on Saturdays of each week, the mails closing at 7 a. m.

In cases in which the registered mail can not be expedited by transmitting it in accordance with these instructions, it should be sent to New York, N. Y., as the proper exchange office.

REGISTERED MAIL ADDRESSED FOR DELIVERY IN BANKS AND SANTA CRUZ ISLANDS, GILBERT AND ELLICE ISLANDS, NEW SOUTH WALES.

OCTOBER 14, 1909.

According to the latest edition of the New South Wales Postal Guide received at the Department, articles are not to be received in the New South Wales service for registration when addressed to Banks and Santa Cruz Islands, Gilbert and Ellice Islands, New South Wales, where there are no post or receiving offices or persons who can be held responsible for the delivery of that class of correspondence.

Postmasters will, therefore, decline to accept for registration articles addressed for delivery in the islands mentioned above.

CERTAIN REGISTERED MATTER FOR THE OFFICES IN ALASKA NAMED BELOW NOT TO BE ACCEPTED FOR REGISTRATION DURING THE WINTER MONTHS.

OCTOBER 23, 1909.

Postmasters are reminded that the season during which all classes of mail may be accepted for registration, addressed to post offices in Alaska, is now closed.

During the winter months, October 1st to May 1st, the articles permissible in mails for the post offices in Alaska mentioned below are restricted to:

TEMPORARY HOLIDAY EXCHANGES AND DISPATCHES.

OCTOBER 22, 1909.

Unless otherwise hereafter specially directed, the period for all temporary Christmas holiday exchanges and dispatches of registered mail in through pouches and inner sacks is hereby fixed to begin December 15 and end December 27 in the present and succeeding years.

The articles excluded are newspapers and periodicals sent to dealers for purposes of trade (in bulk or otherwise); sample copies of newspapers and periodicals; books; trade catalogues; circulars, and patterns and samples of merchandise, and fourth-class matter (merchandise).

These restrictions do not apply to mail coming from Alaska as ordinarily all classes of mail may be brought from interior Alaskan points during the winter season.

The following instructions were issued from the bureau of the Fourth Assistant Postmaster General — P. V. DeGraw, Fourth Assistant:

DUPLICATE FORM R. D.-1, RURAL LETTER CARRIER'S VOUCHER, DISCONTINUED.

OCTOBER 1, 1909.

On account of the use of Quarterly Vouchers, Form R. D. 6, for payment of salaries of rural carriers for the third month of each quarter and which are also to receipt for payments previously made to them during the same quarter, it will not hereafter be necessary to use the "duplicate" copy of Form R. D.-1 in obtaining payment of salaries of rural carriers during the first and second months of the quarter, the "original" copy only being required.

These instructions will not in any way affect the use of "duplicate" copy of Form R. D.-6 which is to be continued under all circumstances when that voucher is used. For the last month of each quarter or when final payment to a carrier is to be made during a quarter, the Quarterly Voucher, "original" and "duplicate" Form R. D.-6, is to be used, but for ordinary payments to a carrier for the first two months of each quarter use the "original" copy of Form R. D.-1.

NUMBERING MACHINES TO RECEIVE PROPER CARE.

OCTOBER 7, 1909.

It is noticed by this office that the condition of the numbering machines returned for repairs shows they have not received proper care. Postmasters having numbering machines are required to have them cleaned and kept in good order.

Use numbering machine ink only.

Rubber stamp ink must not be used on these machines.

PARCEL-POST CONVENTIONS — REQUIREMENTS OF.

OCTOBER 19, 1909.

The attention of postmasters and employees of the service is invited particularly to the provisions governing the exchange of merchandise by international parcel-post, to be found on pages 171 to 178 of the official postal guide for July, 1909.

Frequent complaints are received at the Department of Ignorance on the part of employees of the service relative to the requirements of the several parcel-post conventions, and employees should be fully advised of the details to be observed in preparing articles of merchandise for transmission to foreign countries.

REQUESTS FOR POSTAGE — FORMS 3540 AND 3548.

OCTOBER 19, 1909.

It is noted that postmasters fall in many instances to sign or properly postmark card notices, Forms 3540 and 3548, sent by them requesting postage for the forwarding or return of mail matter, and also neglect to indicate upon the card the name of the office or whether reference is made to a detained letter, printed matter, or merchandise. This neglect causes a considerable number of pieces of mail to be sent to the Division of Dead Letters the delivery of which but for the omission could be effected. Greater care should be taken in preparing notices of this character.

INSTRUCTION OF SCHOOL CHILDREN IN POSTAL MATTERS.

OCTOBER 23, 1909.

The attention of postmasters is called to Postmaster-General's Order of September 18, 1908, directing them to co-operate with school authorities in giving instructions to pupils, in postal matters, especially the proper addressing of mail matter. Pamphlets of general postal information and model address cards may be obtained by requisition upon the Division of Supplies. Post-

masters are also urged to use every legitimate means to bring to the attention of the public the importance of placing the return address on all letters and parcels. In the near future a placard will be furnished relative to this matter, which postmasters are requested to post in a conspicuous place.

SUPPLIES—POSTMASTERS TO USE MORE CARE IN MAKING REQUISITIONS.

OCTOBER 25, 1909.

It has come to the attention of the Department that many postmasters upon the receipt of the postal supply catalogue recently issued, have immediately prepared a requisition covering practically every item and form in the catalogue, wholly without regard to their probable or possible utility, simply because the articles have been listed and are available for the use and benefit of postmasters when necessary. This practice must be discontinued.

Instead of filling such requisitions as submitted, there will be omitted the items and forms which in the judgment of this office appear to be unnecessary. However, there will be sent for examination samples of the forms. If after inspecting them it is believed they are essential, consideration will be given to requisitions for limited supplies, with the understanding that a statement will be forwarded fully setting forth the use to which each of the forms will be put.

In all cases hereafter, requisitions will be treated in accordance with the methods outlined, and postmasters need not expect to have excessive or thoughtlessly prepared orders fully honored. Full instructions are available along these lines in the postal supply catalogue and the Postal Guide and supplements, and it is expected that these will be carefully studied and strictly followed in the future.

In this connection postmasters are enjoined to use the utmost economy in their offices consistent with good administration and with efficiency of service.

LATEST CHANGES IN POST OFFICES.

JUNE 1 TO OCTOBER 25, 1909.

NOTE.—This list, taken in connection with the list of offices in the Guide for July, 1909, shows the offices in operation. Former monthly lists should be disregarded, as reference to them can only confuse.

Post offices marked with an asterisk (*) have been established since the publication of the July GUIDE, and afterwards discontinued, or names changed; those with a dagger (†) are Postal parallel (||) discontinued for the summer, and those with a section mark (§) where discontinuance has been rescinded.

Independent Stations are the only stations to which Postmasters address Registered Package envelopes. In the list of corrections A. refers to General Alphabetical list, and S. to State list and C. to County list. R.D. signifies Rural Delivery.

IMPORTANT NOTICE TO POSTMASTERS

—IN—

ARKANSAS, LOUISIANA, TEXAS, OKLAHOMA, KANSAS, NEBRASKA,
SOUTH DAKOTA, NORTH DAKOTA, MONTANA, WYOMING, IDAHO,
COLORADO, UTAH, NEW MEXICO, ARIZONA, WASHING-
TON, OREGON, NEVADA, CALIFORNIA AND HAWAII.

General advertisements were issued October 22, 1909, inviting proposals for service on all star, steamboat and screen wagon mail routes for the regular four year contract term from July 1, 1910, to June 30, 1914, in the above named states and territories, comprising the fourth contract section.

Copies of such advertisements have been sent to all postmasters concerned, whose duty it is to see that such advertisements are conspicuously posted and brought to the attention of the public, to the end that satisfactory and reasonable proposals may be submitted. The postmasters should read carefully the instructions accompanying the advertisements, and use their best efforts toward encouraging competitive bidding so that contracts may be awarded for the service as advertised, as the contracts for the existing service will expire June 30, 1910.

JOSEPH STEWART,
Second Assistant Postmaster-General.
