REGISTERED MAIL ADDRESSED FOR DELIVERY IN BANKS, ELLICE, GILBERT, NEW HEBRIDES, SANTA CRUZ, SHORTLAND, AND SOLOMON ISLANDS, AUSTRALIA.

MARCH 14, 1910.

Mailable matter intended for delivery in the Banks, New Hebrides, Shortland and Solomon Islands, Australia, may now be accepted for registration.

Articles intended for delivery in the Gilbert, Ellice and Santa Cruz Islands, Australia, must not be accepted for transmission in the registered mails, as there are no post or receiving offices or persons in those islands who can be held responsible for the delivery of registered articles.

The instructions issued by the Department under date of October 14, 1909, under the heading "Registered mail addressed for delivery in Banks and Santa Cruz Islands, Gilbert and Ellice Islands, New South Wales," printed in the November, 1909, Official Postal Guide, are modified accordingly.

The following instructions were issued from the bureau of the Fourth Assistant Postmaster General — P. V. DeGraw, Fourth Assistant:

RURAL CARRIERS' VOUCHERS MUST BE MAILED PROMPTLY AND PROPER VOUCHERS MUST BE USED.

Numerous complaints are being received that rural carriers' vouchers are not mailed promptly. Postmasters at rural delivery offices are admonished to see to it that rural carriers' vouchers are carefully and correctly prepared and mailed to the paying postmasters on the evening of the last day of each month, unless specific directions have been received from the Department to withhold a carrier's voucher. It is mandatory and necessary that this course be pursued in order that the work in paying offices may be expedited and carriers may receive their pay checks early in the month.

Complaints are also received that postmasters are not invariably using voucher R.D.-6 in certifying carriers' service at the end of each quarter. Voucher R.D.-6 must be used at the end of each quarter and when a carrier is separated from the service, and at no other time. Full instructions regarding the use of this voucher is printed on the back of the voucher. At all other times voucher R.D.-1 will be used in paying regular and temporary carriers, but not substitute carriers.

ENVELOPES FOR FORWARDING MONEY-ORDER STATEMENTS TO THE AUDITOR.

MARCH 11, 1910.

Money-order statements from stations should be forwarded to the Auditor by the main office, in a package, after arranging those from the numbered stations numerically and those from the lettered stations alphabetically.

The statement from each station need not be inclosed in a separate envelope, but one should be used as a label for the package when transmitted to the Auditor for the Post Office Department, from the main office.

§ To correct July, 1909, Guide.

LATEST CHANGES IN POST OFFICES.

JUNE 1 TO MARCH 25, 1910.

NOTE.—This list, taken in connection with the list of offices in the GUIDE for July, 1909, shows the offices in operation. Former monthly lists should be disregarded, as reference to them can only confuse.

Post offices marked with an asterisk (*) have been established since the publication of the July GUIDE, and afterwards discontinued, or names changed; those with a dagger (†) are Presidential; those with a double dagger (‡) post offices discontinued for the winter; those with parallel (||) discontinued for the summer, and those with a section mark (§) where discontinuance has been rescinded.

Independent Stations are the only stations to which Postmasters address Registered Package envelopes. In the list of corrections A. refers to General Alphabetical list, and S. to State list and C. to County list. R.D. signifies Rural Delivery.
