## POLITICAL CONTRIBUTIONS.

Order No. 5298.

MARCH 1, 1911.

To Officers and Employees of the Post Office Department and the Postal Service:

At the request of the Civil Service Commission attention is directed to the following provisions of the Act of March 4, 1909 (Criminal Code), relating to the subject of political contributions, which must be strictly observed by all officers and employees of the Post Office Department and the Postal Service.

### POLITICAL CONTRIBUTIONS NOT TO BE SOLICITED BY OFFICERS NAMED.

SEC. 118. No Senator, or Representative in, or Delegate or Resident Commissioner to Congress, or Senator, Representative, Delegate, or Resident Commissioner elect, or officer or employee of either House of Congress, and no executive, judicial, military, or naval officer of the United States, and no clerk or employee of any department, branch, or bureau of the executive, judicial, or military, or naval service of the United States, shall, directly or indirectly, solicit or receive, or be in any manner concerned in soliciting or receiving, any assessment, subscription, or contribution for any political purpose whatever, from any officer, clerk, or employee of the United States, or any department, branch, or bureau thereof, or from any person receiving any salary or compensation from moneys derived from the Treasury of the United States.

### POLITICAL CONTRIBUTIONS NOT TO BE RECEIVED IN PUBLIC OFFICES.

SEC. 119. No person shall, in any room or building occupied in the discharge of official duties by any officer or employee of the United States mentioned in the preceding section, or in any navy yard, fort, or arsenal, solicit in any manner whatever or receive any contribution of money or other thing of value for any political purpose whatever.

### IMMUNITY FROM OFFICIAL PROSCRIPTION.

SEC. 120. No officer or employee of the United States mentioned in section one hundred and eighteen shall discharge, or promote, or degrade, or in any manner change the official rank or compensation of any other officer or employee, or promise or threaten so to do, for giving or withholding or neglecting to make any contribution of money or other valuable thing for any political purpose.

### MAKING POLITICAL CONTRIBUTIONS TO OFFICERS.

SEC. 121. No officer, clerk, or other person in the service of the United States shall, directly or indirectly, give or hand over to any other officer, clerk or person in the service of the United States, or to any Senator, or Member of or Delegate to Congress, or Resident Commissioner, any money or other valuable thing on account of or to be applied to the promotion of any political object whatever.

### PUNISHMENT FOR VIOLATIONS.

SEC. 122. Whoever shall violate any provision of the four preceding sections shall be fined not more than five thousand dollars, or imprisoned not more than three years, or both.

The following notices and instructions were issued from the bureau of the First Assistant Postmaster General—C. P. Grandfield, First Assistant:

## POSTMASTERS' CONVENTIONS.

FEBRUARY 9, 1911.

Order No. 5269.

Postmasters of the first, second and third classes in the State of Pennsylvania are hereby granted leave of absence for as many days, not exceeding five, as may be necessary to enable them to attend the annual convention of the Pennsylvania Association of Postmasters, to be held at Gettysburg, Pa., May 19, 1911.

FEBRUARY 15, 1911.

Order No. 5277.

Postmasters of the first, second and third classes in the State of West Virginia are hereby granted leave of absence for as many days, not exceeding five, as may be necessary to enable them to attend the annual meeting of the West Virginia Association of Postmasters, to be held at Charleston, W. Va., April 5 and 6, 1911.

FEBRUARY 20, 1911.

*Order No. 5288.*

Postmasters of the first, second and third classes in the State of New York are hereby granted leave of absence for as many days, not exceeding five, as may be necessary to enable them to attend the annual convention of the New York State Association of Postmasters, to be held at Syracuse, N. Y., May 10 and 11, 1911.

**UNDELIVERED PUBLIC DOCUMENTS.**

FEBRUARY 1, 1911.

The attention of Postmasters is called to the necessity for careful compliance with return requests on undeliverable matter sent out from the office of the Superintendent of Documents, Government Printing Office, and on all other official matter which can not be delivered as addressed.

The following notice was issued from the bureau of the Second Assistant Postmaster General — Joseph Stewart, Second Assistant:

**PARCEL-POST PACKAGES FOR MEXICO.**

FEBRUARY 20, 1911.

The Postal Administration of Mexico has advised this Department that, commencing on the 21st instant, parcels weighing up to eleven (11) pounds (5 kilograms) may be sent to the following Mexican post offices:

Toóos Santos .....	State of Baja California
Tenamastlan .....	State of Jalisco
Las Penas .....	State of Jalisco

Consequently, parcel-post packages weighing not more than eleven pounds may be accepted for mailing to the Mexican post offices, above mentioned, as well as to the Mexican post offices named on pages 225-228 of the United States Official Postal Guide for July, 1910.

The following notices and instructions were issued from the bureau of the Third Assistant Postmaster General — James J. Britt, Third Assistant:

**NO. 5 ONE-CENT POSTAL CARDS IN SHEETS.**

FEBRUARY 11, 1911.

Postmasters are notified that the sheets of the new No. 5 one-cent postal card will measure 10 by 27 inches instead of 10 by 27½ inches, as announced in paragraph 6 of the announcement issued under date of January 21, 1911, and that there will be no "trim" on these sheets.

**IRREGULARITIES IN DESIGNATING THE PLACE OF PAYMENT OF MONEY ORDERS.**

FEBRUARY 25, 1911.

The attention of the Department has been called to the fact that a large number of money orders intended for payment at East Saint Louis, Illinois, are, through error, drawn on "East Saint Louis, Missouri," or "Saint Louis, Illinois." Postmasters are, therefore, admonished that such carelessness on their part is alike discredit to themselves and to the service. Money orders so drawn are not recognized as proper vouchers, but must be returned to the respective offices of issue for settlement. This calls for an expenditure of time and labor which would otherwise be unnecessary, and may be avoided by the exercise of ordinary care in the process of issue of orders. Such irregularly drawn orders appear to be on the increase, and the co-operation of Postmasters at money order offices is earnestly requested in an endeavor to improve the service in this respect.

**REGISTRY SYSTEM.****ROTARY-LOCK KEY AT KALAUPAPA, HAWAII, RECALLED.**

FEBRUARY 10, 1911.

The rotary-lock key furnished the Postmaster at Kalaupapa, Hawaii, has been ordered withdrawn; and the authorization for that office to make as well as receive not-regular dispatches of inner registered sacks is hereby revoked.

**SEPARATE STATION AT OMAHA, NEBRASKA, FOR HANDLING TRANSIT REGISTERED MAIL.**

FEBRUARY 15, 1911.

Effective March 1, 1911, Omaha, Nebraska, should be added to the list of post offices published on page 109 of the July 1910 Postal Guide, as having a separate station for handling transit registered mail requiring the separation of "City" and "Distribution" matter dispatched to that office in separate jackets, sacks or pouches when the quantity or bulk of registered mail justifies.

## IMPROVISED USE OF REGISTERED PACKAGE AND TAG ENVELOPES.

FEBRUARY 24, 1911.

Registered package and tag envelopes in stock January 1, 1911, when their use as such was discontinued will be furnished to postmasters and railway mail employees, upon requisition for jackets and tags, until the supply is exhausted.

Registered package envelopes may be used:

1. As registered package jackets by placing the letter "J" before the number.
2. As an unaddressed, unnumbered and unsealed covering for registered matter which cannot be tied with ordinary mail dispatched in iron-locked pouches.

Registered tag envelopes may be used:

1. As jacket tags on single registered pieces too large for inclosure in pouches.
2. Interchangeably with registered sack jacket and sack envelope tags, Forms 3814 and 3821, respectively, in disposing of rotary locks received on not-regular dispatches of inner registered sacks or through registered pouches.
3. In returning labels received on not-regular dispatches of inner registered sacks or through registered pouches when used in returning rotary locks, the labels being inclosed within the tag envelope.

NOTE—When sack jacket or sack envelope tags, Form 3814 or 3821 are used in returning rotary locks of not-regular dispatches of inner registered sacks or through registered pouches, the labels will have to be returned by ordinary mail as previously instructed. In returning rotary locks with tag envelopes attached, the tags should be properly addressed but should not be numbered.

In this connection carefully note paragraphs 10 and 15 of the "Instructions regarding the discontinuance of registered package and tag envelopes" printed on page 12 of the February, 1911, Postal Guide, also the instructions in article 110, page 112 of the July, 1910, Postal Guide, relative to the disposition of rotary locks.

## INTERCHANGEABLE USE OF THROUGH POUCHES, INNER SACKS AND ORDINARY POUCHES WHEN CLOSED WITH ROTARY LOCKS.

FEBRUARY 25, 1911.

As ordinary pouches when closed with rotary locks may be used in the dispatch of registered mail in both regular and not-regular dispatches of through registered pouches and inner registered sacks, postal employees are hereby enjoined to use the lighter equipment whenever practicable in the dispatch of registered mail—that is to say, the registry inner sacks or ordinary pouches may be used in lieu of the registry through pouches when the quantity or bulk of the registered matter to be dispatched may be as conveniently inclosed in the inner sack or ordinary pouch as in the through pouch, *the distinction in the dispatch of a through pouch in such cases being made by the label used.*

Inner sacks or ordinary pouches labeled to indicate that they are used as through registered pouches must not be inclosed in an outer iron-locked pouch.

Hand-to-hand receipts must invariably be obtained for all through registered pouches, whether or not the dispatches are made by means of inner sacks or ordinary pouches closed with rotary locks, and hand-to-hand receipts must also invariably be obtained for all inner registered sacks, wherever it is practicable to do so.

The following order and notice were issued from the bureau of the Fourth Assistant Postmaster General—P. V. DeGraw, Fourth Assistant:

## RECORD OF SUPPLIES.

FEBRUARY 6, 1911.

Order No. 5266.

Ordered, That on and after March 1, 1911, Postmasters at offices of the first and second classes, post office inspectors in charge of divisions, and officials of the Railway Mail Service shall keep a complete record of all supplies furnished them by the Division of Supplies, and from time to time, as may be prescribed by the Fourth Assistant Postmaster General, make inventories and requisitions.

It is also ordered that a suitable place be set aside for keeping the stock of such supplies, and that an employee be charged with their custody and the maintenance of the prescribed record.

## NOTICE TO POSTMASTERS AT CITY DELIVERY OFFICES.

## REPORTS OF LETTER BOXES.

Attention is called to the fact that under paragraph 11 of Section 723 of the Postal Laws and Regulations, edition of 1902, as amended by the Postmaster General's order No. 5197, dated December 28, 1910, and published in the Daily Postal Bulletin of January 9, 1911, reports of letter boxes, etc., in use are to be made on the 30th day of June and on the 31st of December each year instead of monthly. On or about June 1, 1911, a supply of the new Form P. D. 2 will be sent to each city delivery office without requisition. In the meantime postmasters are directed to discontinue this monthly report forthwith.

## LATEST CHANGES IN POST OFFICES.

JUNE 1, 1910, TO FEBRUARY 25, 1911.

NOTE.—This list, taken in connection with the list of offices in the GUIDE for July, 1910, shows the offices in operation. Former monthly lists should be disregarded, as reference to them can only confuse.

Post offices marked with an asterisk (\*) have been established since the publication of the July GUIDE, and afterwards discontinued, or names changed; those with a dagger (†) are Presidential; those with a double dagger (‡) post offices discontinued for the winter; those with parallel (||) discontinued for the summer, and those with a section mark (§) where discontinuance has been rescinded.

Independent Stations are the only stations to which Postmasters address Registered Package envelopes. In the list of corrections A. refers to General Alphabetical list, and S. to State list and C. to County list. R.D. signifies Rural Delivery.

A money order drawn for payment in Bermuda, British Guiana, British Honduras, Canada, Canal Zone, Cuba, Mexico, Newfoundland, the Philippine Islands and certain islands of the West Indies, to wit, Antigua, Bahamas, Barbados, Dominica, Grenada, Jamaica, Montserrat, Nevis, St. Kitts, St. Lucia, St. Vincent, Trinidad, and Tobago and the Virgin Islands, must be issued on the domestic form, and in every such case a separate advice, on Form 6006, must be dispatched by the next outgoing mail to the office of payment, unless the order is payable in Newfoundland, when the separate advice (Form 6006) must be dispatched to the postmaster at Sydney, N. S., Canada.

Notwithstanding the repeated and explicit instructions of like nature heretofore published and distributed, postmasters in many instances continue to reflect discredit upon themselves and upon the Money Order System by carelessly failing to forward such separate advice to the country of payment when they issue a money order on the domestic form payable in a country with which the United States transacts money-order business on the domestic basis. Such carelessness will no longer be tolerated by this department, which must insist that this important requirement be strictly adhered to in the future.

**JAMES J. BRITT,**  
Third Assistant Postmaster General.
