April, 1911.

Vol. 3, No. 10.

The following orders were issued from the office of the Postmaster General—Frank H. Hitchcock, Postmaster General:

AMENDMENTS TO THE POSTAL LAWS AND REGULATIONS.

REGISTRY RECORDS OF RAILWAY POSTAL CLERKS.

MARCH 18, 1911.

Order No. 5356.

The first paragraph under the first heading, "Railway Mail Service," in paragraph 9 of amended Section 357 of the Postal Laws and Regulations (printed on page 59 of the Supplement), is hereby amended to read as follows:

Records of registered matter handled by railway postal clerks; registry receipt cards—three years.

Paragraph 1 of amended Section 1557, Postal Laws and Regulations, is hereby modified to read as follows:

Railway postal clerks will be furnished by division superintendents of the Railway Mail Service with registry books. They must guard these books and their registry receipt cards against damage or loss, and retain them in their possession for a period of three years from and after their last use, after which they may turn them over to the division superintendent of the Railway Mail Service unless sooner disposed of in accordance with Section 1464.

DISPOSITION OF UNDELIVERED REGISTERED MAIL OF FOREIGN ORIGIN.

MARCH 29, 1911.

Order No. 5379.

Sections 948, 949, and 950 of the Postal Laws and Regulations of 1902 are hereby amended to read as follows:

Section 948. Registered mail of foreign origin, not specially held for delivery (see Section 950), which remains undelivered for—

- (a) five days when directed to street and number in cities;
- (b) ten days when directed to general delivery in cities;
- (c) five days when directed for delivery by rural carrier;
- (d) fifteen days when directed for delivery in offices of the fourth-class and not intended for delivery by rural carriers; or
- (e) such other period as may be named in the sender's return request, if any, not less than three nor more than ninety days—

shall be endorsed with the cause of its non-delivery, marked "Returned to writer" and sent by registered mail to the United States exchange office from which received, unless the return address on the article requires it to be sent to some other United States exchange post office.

2. When undelivered registered mail of foreign origin is accompanied by return-receipts, such receipts must be endorsed in the same manner as the registered mail and must not be detached therefrom.

3. When registered mail of foreign origin is addressed to a person who is dead, delivery may be made only to the legal representative of the addressee. If such delivery can not be made, the mail must be endorsed with the cause thereof and disposed of as prescribed in paragraph 1 of this section. If the mail is claimed by a relative of the deceased addressee, such relative may, if possible, be furnished with the sender's name and address, and the mail specially held not longer than three months, unless it bears a request for its return in a shorter period.

Section 949. Exchange offices receiving undelivered foreign registered mail under the provisions of Section 948 will return it to the proper exchange office of the country of origin, or of the country named in the sender's address, if shown, in accordance with special instructions issued by the Third Assistant Postmaster General.

Section 950. When a postmaster has good reason to believe that undelivered registered mail of foreign origin, bearing no time limit for delivery, can be delivered to the person addressed if held longer than the period specified in Section 948, he may endorse it "Specially held for delivery" and retain it not longer than three months. Registered articles endorsed "Poste Restante" or "To be called for," and those addressed to a sailor or a passenger on a vessel expected to arrive, must also be held not longer than three months.

The following notices were issued from the bureau of the First Assistant Postmaster General—C. F. Grandfield, First Assistant:

FOREIGN MAILS.

ARTICLES WITH ADDRESSES UNDER TRANSPARENT PAPER.

MARCH 3, 1911.

The Bosnia-Herzegovena postal service and the postal service of Haiti do not admit registered articles under transparent covers.

In Bosnia-Herzegovena the same prohibition is applicable to ordinary articles in envelopes the transparent part of which is not parallel to the length of the envelope.

SHORT-PAID LETTERS FOR MALTA.

MARCH 15, 1911.

This Department has been advised that many letters are being received in Malta from the United States prepaid only two cents, causing serious annoyance and expense to the addressees.

Therefore attention is called again to the fact that the only *British colonies* to which letters are mailable at the rate of two cents an ounce are the Dominion of Canada and the Colony of Newfoundland.

To letters for all other British colonies (including Malta, India, South Africa, Australasia, and the West Indies) the rate is five cents for the first ounce and three cents for each additional ounce or fraction of an ounce. If that rate is not prepaid in full, *double* the amount of the deficient postage is collectible of the addressees.

Attention is called to the notice dated the 25th of April last and printed on page 7 of the Postal Guide for May, 1910.

EXCHANGE WITH CANADA.—REXFORD, MONT., AND FERNIE, BRITISH COLUMBIA.

An international exchange is authorized between above offices, to commence April 1, 1911, via the Gateway & Rexford Railroad trains 252 and 251. The following instructions were issued from the bureau of the Third Assistant Postmaster General—James J. Britt, Third Assistant:

ISSUE OF MONEY ORDERS ON DOMESTIC FORM FOR PAYMENT IN COLON AND PANAMA (REPUBLIC OF PANAMA).

MARCH 25, 1911.

Cristobal and Ancon in the Canal Zone are suburbs of Colon and Panama, Republic of Panama, respectively, or extensions of those cities into the Canal Zone. Therefore, a domestic money order drawn on Cristobal, Canal Zone, would be readily paid to the payee residing in Colon, or such an order, drawn on Ancon, Canal Zone, would likewise be paid to a payee residing in the city of Panama.

The above is not to be understood as changing in any way the existing arrangement for drawing international money orders on the British Postal Agency at Panama through the intermediary of Great Britain in case the remitter so desires.

REGISTRY SYSTEM.

SENDERS' REGISTRY RETURN RECEIPTS.

MARCH 24, 1911.

Complaint has been received at the Department that Postmasters in many instances fail to obtain return receipts in delivering registered mail for which such receipts are desired as shown by the indorsement on the envelopes or wrappers of the articles, and that frequently receipts are returned to the senders of registered mail on cards which cannot be identified with the pieces as originally registered because the cards were evidently prepared for other articles.

It is the duty of the delivering Postmaster who receives a registered article indorsed to show that a return receipt is desired by the sender but which is not accompanied with a receipt from the mailing office, to prepare a receipt and return it to the sender of the registered article after it has been properly signed and postmarked.

Postmasters at mailing post offices should see that the card receipt forms are securely fastened to the pieces to which they relate, to avoid, as far as practicable, their separation from the pieces while in transit.

ARTICLES INTENDED FOR REGISTRATION TO BE SECURELY COVERED BY ENVELOPES OR WRAPPERS.

MARCH 24, 1911.

Complaint has been received that registered articles are frequently received in bad condition, and in some cases short a portion of their contents because they were not covered by envelopes or wrappers strong enough to insure their safe transmission.

Postmasters are therefore enjoined to require senders of mail intended for registration to so wrap or envelope it that the matter will safely carry in the mails. Postmasters must decline to accept heavy articles for registration when inclosed in flimsy envelopes which are almost certain to wear through before reaching their destinations. See instructions in paragraph 2, section 897 of

the Postal Laws and Regulations, and paragraphs 17 and 18, page 13, of the February, 1911, Postal Guide.

It is also reported that the "Instructions regarding the discontinuance of registered package and tag envelopes," printed on pages 11, 12 and 13 of the February, 1911, Postal Guide, are not being observed in many instances. Postmasters should thoroughly familiarize themselves with these instructions and carefully comply with their requirements.

Sealed parcels should be indorsed "First-Class" on the address side of the piece by the mailing postmaster. An unsealed parcel which contains matter subject to postage at the first-class rate and is addressed to a domestic destination should not be accepted for registration until it is sealed.

First-class registered matter must not be bulk-billed even though it be in the form of a parcel.

NOT-REGULAR DISPATCHES OF THROUGH POUCHES AND INNER SACKS CLOSED WITH LEAD SEALS BY STAMPED ENVELOPE AGENCY AT DAYTON, OHIO.

MARCH 24, 1911.

The United States Stamped Envelope Agent at Dayton, Ohio, is hereby authorized to make not-regular dispatches of lead-sealed *pouches*, under the special tags now in use by him, (in lieu of through registered pouches), whenever he knows that hand-to-hand receipt may be obtained over the entire route of transmission from the agency at Dayton, Ohio, to any post office, railway post office train, terminal railway post office or transfer clerk addressed. When this information is not known it may be obtained from the Superintendent of the Railway Mail Service for the division in which the United States Stamped Envelope Agency is located.

Authority is also hereby given for the United States Stamped Envelope Agent at Dayton, Ohio, to make not-regular dispatches of lead-sealed *sacks*, under the special tag now in use by him, (in lieu of inner registered sacks), whenever the quantity or bulk of matter to be dispatched by the agency to any post office, railway post office train, terminal railway post office, or transfer clerk justifies.

The Postal Laws and Regulations and special instructions governing the treatment of through registered pouches, and inner registered sacks, regular and not-regular, are applicable to the dispatches of lead-sealed pouches or sacks dispatched under this authorization by the United States Stamped Envelope Agent at Dayton, Ohio.

The following notices were issued from the bureau of the Fourth Assistant Postmaster General—
P. V. DeGraw, Fourth Assistant:

SUSPENSION OF RURAL DELIVERY SERVICE ON DAYS OTHER THAN THOSE AUTHORIZED BY THE RURAL DELIVERY INSTRUCTIONS.

It has come to the notice of the Department that service has been suspended on rural routes on holidays other than those upon which such suspension is authorized. The attention of the postmasters at rural delivery offices is called to Section 26 of the Rural Delivery Instructions, and it is directed that only on the holidays indicated therein shall rural carriers be permitted to suspend service on their routes. These holidays are:

New Year's Day (January 1)

Washington's Birthday (February 22)

Memorial or Decoration Day (May 30)

Independence Day (July 4)

Labor Day (the first Monday in September)

And such day as the President shall set apart as Thanksgiving Day in each calendar year.

CERTAIN OFFICIAL ENVELOPES NO LONGER FURNISHED.

Official envelopes Nos. 6, 15, 19, 31, 38, 46, 71, and 86 are no longer furnished by the Division of Supplies and postmasters will please be governed accordingly when submitting requisitions for official envelopes. After the supply on hand is exhausted official envelopes, Nos. 5, 14, 79, 37, 47, 65, and 45 will be used in place of those no longer supplied.

INSTALLATION OF TYPEWRITERS AND ADDING MACHINES AT POST OFFICES FOR TRIAL PURPOSES.

Reports have reached the Department that some postmasters are permitting agents of typewriting and adding machine companies to install machines in post offices for trial purposes without regard to the provisions contained in Postmaster General's Order No. 1297, dated October 15, 1905, which reads as follows:

"That postmasters will hereafter permit no person to leave or install in post offices or upon post office premises, for test, approval or other purposes, any machine, invention or device, on any pretext whatever, without first obtaining specific written authority from this Department."

The above order must be strictly complied with.

LATEST CHANGES IN POST OFFICES.

JUNE 1, 1910, TO MARCH 25, 1911.

NOTE.—This list, taken in connection with the list of offices in the GUIDE for July, 1910, shows the offices in operation. Former monthly lists should be disregarded, as reference to them can only confuse.

Post offices marked with an asterisk (*) have been established since the publication of the July GUIDE, and afterwards discontinued, or names changed; those with a dagger (†) are Presidential; those with a double dagger (‡) post offices discontinued for the winter; those with parallel (||) discontinued for the summer, and those with a section mark (§) where discontinuance has been rescinded.

Independent Stations are the only stations to which Postmasters address Registered Package envelopes. In the list of corrections A. refers to General Alphabetical list, and S. to State list and C. to County list. R.D. signifies Rural Delivery.

IMPORTANT TO ALL POST- MASTERS.

March 25, 1911.

Special attention is directed to the instructions printed in this Guide requiring that extreme care be exercised to see that proper registry return receipts, when desired, are obtained from addressees upon the delivery of registered mail, and that senders of articles intended for registration be required to place them under cover of envelopes or wrappers strong enough to insure their safe transmission in the mails.

JAMES J. BRITT,

Third Assistant Postmaster General.

“Special Request” Stamped Envelopes NOT Discontinued.

March 24, 1911.

Information has reached the Department that some postmasters have advised their patrons that the furnishing of “special-request” envelopes has been discontinued. Such statements are erroneous.

“Special-request” and “office-request” envelopes are still supplied by the Department in accordance with the law and regulations published on pages 42 to 44, 1910 Postal Guide.

JAMES J. BRITT,

Third Assistant Postmaster General.
